*Original ragas, American style. Spontaneous melodies on poetry from Lawrence Ferlinghetti's A Coney Island of the Mind. Sax, voice, unconventionally-tuned Indian drums.*

"Vocalist Katharine Cartwright and saxophonist Richard Oppenheim celebrate the work of two American originals—John 'the Philosopher Kid' Cage and Lawrence 'the Beat Bard' Ferlinghetti—in a pair of estimable releases. Each session has a distinct flavor, yet the more I listened to them, the more they merged into one beautiful expression..." -- (#2 album of the year) **David Dupont, One Final Note**
